

# Save Nursery Schools!

## We need your help!

The government is planning to change the way it funds nursery education. These changes mean that nursery schools will **no longer** receive enough funding to be able to operate. By **2019** nursery schools across the country will **no longer exist**.

This affects:  
Brunswick Nursery School  
Colleges Nursery School  
The Fields Children's Centre  
Histon Early Years Centre  
Homerton Early Years Centre  
Huntingdon Nursery School

### Why SAVE nursery schools?

Imagine if the government wanted to close the **400 best** performing schools in the country?! Well, that's what they're proposing to do to early years education!

- 97% of nursery schools are rated **good or outstanding**
- 65% are in our most disadvantaged areas – giving our most vulnerable under fives **the best start** possible
- Nursery schools employ **qualified teachers and staff** who provide the **highest quality** early years education and help other educators **improve their practice** too
- Nursery schools **train new teachers** so that early years expertise grows locally and nationally – **improving** the whole sector
