Listen to the story,

The Very Hungry Caterpillar

by Eric Carle

<https://www.youtube.com/watch?v=75NQK-Sm1YY>

Can you retell the story?

Move like an insect

Can you fly like a bee?
crawl like a caterpillar?
or jump like a grasshopper?

We're going on a **bug hunt!**
Go outside, can you find any bugs?

Look closely at them, if you have a magnifying glass, it may help you.

How many different **insects** can you draw in your scrapbook?

A bee
buzzing

A
ladybird
looking

Insectos

A shield bug
shuffling

Owady
