

Did you know?
It was the **longest** day of the year
on Saturday
It is called the summer solstice.
Can you make a sun?

Go Go Mango

Here is a song about mangoes
and other fruit. Sing along and
try to do the actions too.

<https://www.bbc.co.uk/programmes/p01x02wp>

Go outside, can you find a
shadow?

Try to draw around the
shadow with some chalk or
with some paper and pencils.
Can you make a shadow
person?

How many different
fruit can you draw in
your scrapbook?
Are your fruit all the
colours of the
rainbow?

Do you know this song
about the sun?
Mr. Sun

<https://www.youtube.com/watch?v=FwOomEMSxCO>

The sun helps fruit and vegetables to grow big and juicy.
It helps us to grow big and strong too.

A rainbow of fruit and vegetables. How many can you see?

mmm!
mango

perfect
