Learn about chicks hatching with Auntie Mabel and Pippin.

<https://www.youtube.com/watch?v=swQujfPhXd0>

Remember to fly around outside like Auntie Mabel does in her plane.

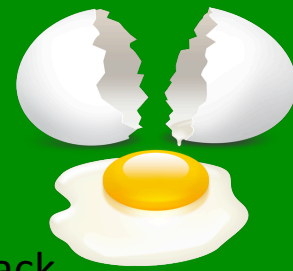

Look for books about chicks in your book case. Enjoy reading the stories with your family.

Brunswick Nursery

Following on from our activities relating to the chicks, here are some ideas for you to have a go at.

Begin a scrap book. Draw a nest with different sized eggs in it. Count how many you have drawn. See if you can find some pictures of chicks to cut out and stick in.

Learn how to crack an egg. What does it look like? Take a risk and see what it feels like!

Make scrambled eggs to eat. How does the egg change as you cook it?
