

April 22nd is **Earth Day**. Follow this link to read all about it.

<https://www.dltk-kids.com/crafts/earth/about.htm>

Read some of these poems relating to **Earth Day** and talk about what they mean.

<https://www.dltk-kids.com/crafts/earth/songs.html>

Talk about composting food scraps and have a go at re-growing some vegetable tops.

Go for a walk and collect some natural objects. Use them to make some transient art. Count how many of each you use and draw pictures of them in your scrap book.

Use items from the recycling to make a model.

Turn you children into recycling 'police officers'. Involve them in sorting the recycling, talk about what happens to our waste and where it needs to go.

Auntie Mabel can help to explain what to do whilst also bringing back some fond memories for grown ups!!

Mrs Crisp has planted some runner bean seeds with her daughters. What do you think is going to happen?

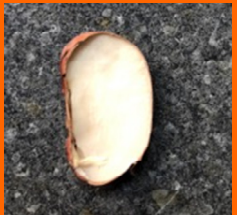

Mrs Douglas' sunflowers have grown more leaves.

This is what the seed looks like inside. What can you see?

Why don't you plant some seeds and record what happens in your scrap book.

Have you read any of these stories about growing and planting?
