

This week we are.....

Reading 'Once Upon a Tide'

Developing our fine motor skills and taking apart old technology.

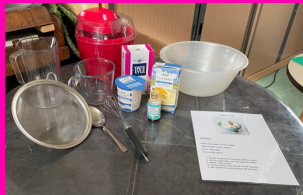

Last week we enjoyed.....

Guessing what this was!

Making and eating the ice-cream.

Recording how much our carrots have grown.

Getting very messy outside playing in the sand and water!

Making pop-corn.

Adding herbs to the playdough.

Tasting the lettuce and radishes we have grown.

At home....

- Bring in some herbs if you have any in your garden.
- Practise writing your name in a tray of sand or rice.
