

Early Years Pupil Premium 2023 - 2024

Spend and Rationale

All children at Brunswick Nursery School receive personalised provision and support, by having access to experienced and highly trained staff who create an early years curriculum which is constantly under review and has been designed to offer the maximum flexibility to meet the needs of the children. Staff meet regularly to share, review and plan for children's progress.

Once we have been notified that a child is eligible for Early Years Pupil Premium we will arrange to meet with parents to discuss the needs of their child. We attempt to be as creative and flexible in our approach to supporting children's learning. Consultations were also carried out with parents to identify any specific areas for focus or support for EYPP children. Individualising EYPP spending is particularly important due to the low numbers of eligible children.

Academic Year	Number of children eligible for EYPP (summer term)	Amount received per term			Total amount received per year
		Autumn (number of children)	Spring	Summer	
2015 - 2016	1	0	0	£88.00	£ 88.00
2016 - 2017	5	£556.50	£437.25	£516.75	£1,510.50
2017 - 2018	5	£556.50	£437.25	£516.75	£1,510.50
2018 - 2019	6	£667.80	£524.70	£620.10	£1,812.60
2019 - 2020	5	£333.90	£524.70	£826.80	£1,685.40
2020 - 2021	5	£472.50	£437.25	£516.75	£1,426.50
2021 - 2022	4	£222.60	£445.20	£445.20	£1,113.00
2022 - 2023	11	£756.00 (6)	£824.76 (9)	£1,209.00 (10)	£2,789.76
2023 - 2024	13	£554.40 (4)	£930.60 (9)	£1,548.36 (13)	£3,033.36

Intervention Area	Cost
Attention and Listening sessions	£3,458.60
Communication and Language Specialist Speech and Language Intervention	£9,600

The EYFS no longer requires formal assessment to take place. Using the online learning journals and the assessments by the Speech and Language Therapist, they show the children who are in need of speech and language support make progress in all areas of learning. Either by the end of the nursery year children have met or are just below expected development, having come in as not met or are well below expected development.
