

In the garden...

...we will be digging in the sand pit looking for treasures

In the Red Room, we will continue making toast and learning how to spread butter as well as looking at autumn resources using the microscope and recording in the floor book

# Brunswick Nursery

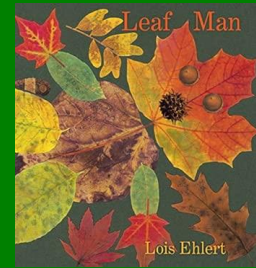

06/10/25

This week we are....

At home....

Go on a walk and find autumn treasures to bring to Brunswick so we can have a closer look at them with the microscope

In the Green Room, we will be making tunnels for the train track as well as reading autumn stories

In the Funnell Room, we will be creating a conker run using tubes
