

In the garden...

...we will
be creating a mechanics role
play area to fix bikes using tools

In the Red Room, we will be mixing
paint using our hands as well as
continue investigating the insects from
the light box using magnifying glasses

At home....

Bring in pumpkins and
squash as we will be
cutting them up to
investigate.

In the Green Room, we
will continue reading
Whatever Next and
retelling it using props

In the Funnell Room, we will be
making firework pictures using
a salad spinner
