

In the garden...

...we will continue making ramps out of the planks and crates for the trucks. As well as making muddy food in the mud kitchen

In the Red Room, we will be making painting using water colours as well as making gingerbread play dough

Brunswick Nursery

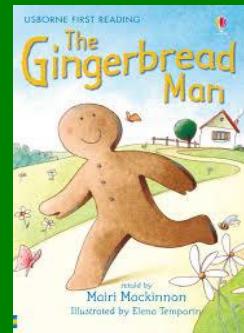

26/1/26

This week we are....

At home....

Spend some time with your child looking at the stories and songs we have sent home. This is a great way to support the children's work at group time and help them to learn new vocabulary

In the Green Room, we will be reading the Gingerbread Man and creating junk modelling using loose parts.

In the Funnell Room, we will be doing observational painting of snowdrops
