

In the garden...

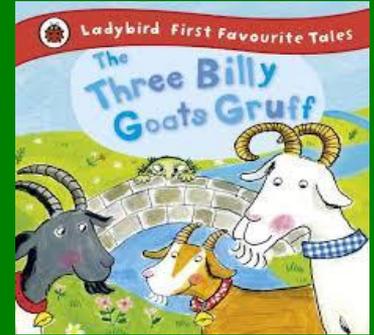

...we will be exploring the resources in the Maths shed

In the Red Room, we will be cutting vegetables to put on top of muffins to cook them in the oven and make pizzas

In the Green Room, we will be reading The Three Billy Goats Gruff

In the Funnell Room, we will take turns exploring the keyboard and listening to the music it makes

At home....

Spend some time with your child looking at the stories and songs we have sent home. This is a great way to support the children's work at group time and help them to learn new vocabulary
